Temporary Rules

Ms. Westberg explained the process that when the Board adopts temporary rules, they are effective and in full force at the time the Board adopts them as temporary rules. The rulemaking process is usually to submit temporary rules for publication as both temporary and proposed rules. This process is less expensive and when approved by the legislature allows the rules to become permanent rules, all in one publication and legislative review.

Moved by Maggie Blair, seconded by Rand Peebles and carried that the Board submit their rules as both temporary and permanent rules.

The next board meeting date was set for September 24, 1999 at the Bureau of Occupational Licenses, from 9:00 a.m. to 5:00 p.m.
